

## Rabbit Gm13125 Polyclonal Antibody | anti-Gm13125 antibody

Gm13125 Polyclonal Antibody

|                               |                       |                                        |                                     |
|-------------------------------|-----------------------|----------------------------------------|-------------------------------------|
| CATALOG #<br><b>AAA280541</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse, Rat</b> | APPLICATIONS<br><b>Western Blot</b> |
|-------------------------------|-----------------------|----------------------------------------|-------------------------------------|

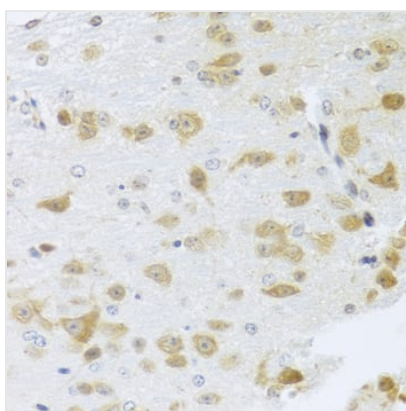

### PRODUCT SYNONYMS

Gm13125; Polyclonal Antibody; Gm13125 Polyclonal Antibody; anti-Gm13125 antibody

### PRODUCT SPECIFICATIONS

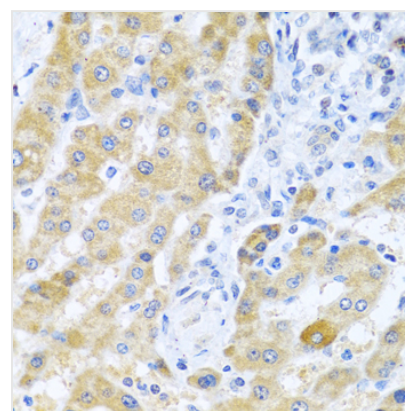

|                                                   |                                                                                                                 |
|---------------------------------------------------|-----------------------------------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                                          |
| Reactivity                                        | Human, Mouse, Rat                                                                                               |
| Clonality                                         | Polyclonal                                                                                                      |
| Isotype                                           | IgG                                                                                                             |
| Purity/Purification                               | Affinity Purification                                                                                           |
| Applicable Applications for anti-Gm13125 antibody | WB (Western Blot)                                                                                               |
| Immunogen                                         | Recombinant Protein                                                                                             |
| Immunogen                                         | Recombinant protein of human Gm13125                                                                            |
| Preparation and Storage                           | Store at -20 degree C. Avoid freeze / thaw cycles.<br>Buffer: PBS with 0.02% sodium azide, 50% glycerol, pH7.3. |

### IMAGES

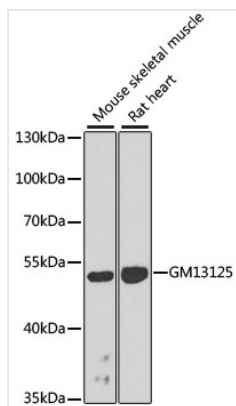

#### IHC (Immunohistochemistry)

Immunohistochemistry of paraffin-embedded mouse brain using Gm13125 antibody at dilution of 1:100 (40x lens).

#### IHC (Immunohistochemistry)

Immunohistochemistry of paraffin-embedded human liver cancer using Gm13125 antibody at dilution of 1:100 (40x lens).

#### WB (Western Blot)

Western blot analysis of extracts of various cell lines, using Gm13125 antibody at 1:1000 dilution. Secondary antibody: HRP Goat Anti-Rabbit IgG (H+L) at 1:10000 dilution. Lysates/proteins: 25ug per lane. Blocking buffer: 3% nonfat dry milk in TBST. Detection: ECL Basic Kit. Exposure time: 90s.

## NCBI AND UNIPROT INFORMATION

|                  |        |
|------------------|--------|
| NCBI GeneID      | 627009 |
| Molecular Weight | 55kDa  |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
