

## Rabbit anti-Human PNMA6A Polyclonal Antibody | anti-PNMA6A antibody

PNMA6A Antibody (N-term)

|                               |                       |                            |                                            |
|-------------------------------|-----------------------|----------------------------|--------------------------------------------|
| CATALOG #<br><b>AAA289188</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>ELISA, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------|--------------------------------------------|

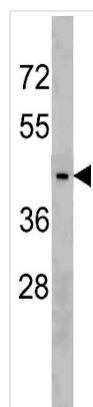

### PRODUCT SYNONYMS

PNMA6A; Polyclonal Antibody; PNMA6A Antibody (N-term); Paraneoplastic antigen-like protein 6A; anti-PNMA6A antibody

### PRODUCT SPECIFICATIONS

|                                                  |                                                                                                                                                                        |
|--------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                             | Rabbit                                                                                                                                                                 |
| Reactivity                                       | Human                                                                                                                                                                  |
| Clonality                                        | Polyclonal                                                                                                                                                             |
| Isotype                                          | IgG                                                                                                                                                                    |
| Specificity                                      | This PNMA6A antibody is generated from rabbits immunized with a KLH conjugated synthetic peptide between 53-80 amino acids from the N-terminal region of human PNMA6A. |
| Purity/Purification                              | This antibody is purified through a protein A column, followed by peptide affinity purification.                                                                       |
| Form/Format                                      | Purified polyclonal antibody supplied in PBS with 0.09% (W/V) sodium azide.                                                                                            |
| Sequence Positions                               | 53-80                                                                                                                                                                  |
| Sequence Length                                  | 399                                                                                                                                                                    |
| Applicable Applications for anti-PNMA6A antibody | ELISA, WB (Western Blot)                                                                                                                                               |
| Tissue Location                                  | Expressed in the brain                                                                                                                                                 |
| Preparation and Storage                          | Maintain refrigerated at 2-8°C for up to 6 months. For long term storage store at -20°C in small aliquots to prevent freeze-thaw cycles.                               |

### IMAGES

#### WB (Western Blot)

PNMA6A Antibody (N-term) western blot analysis in A2058 cell line lysates (35ug/lane). This demonstrates the PNMA6A antibody detected the PNMA6A protein (arrow).
