

## Rabbit anti-Human MRP-L33 Polyclonal Antibody | anti-MRP-L33 antibody

MRP-L33 Polyclonal Antibody

|                               |                       |                            |                                             |
|-------------------------------|-----------------------|----------------------------|---------------------------------------------|
| CATALOG #<br><b>AAA295280</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human</b> | APPLICATIONS<br><b>Immunohistochemistry</b> |
|-------------------------------|-----------------------|----------------------------|---------------------------------------------|

### PRODUCT SYNONYMS

MRP-L33; Polyclonal Antibody; MRP-L33 Polyclonal Antibody; MRPL33; C2orf1; 39S ribosomal protein L33; mitochondrial; L33mt; anti-MRP-L33 antibody

### PRODUCT SPECIFICATIONS

|                                                   |                                                                                                                                                       |
|---------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Host                                              | Rabbit                                                                                                                                                |
| Reactivity                                        | Human                                                                                                                                                 |
| Clonality                                         | Polyclonal                                                                                                                                            |
| Applicable Applications for anti-MRP-L33 antibody | IHC (Immunohistochemistry)                                                                                                                            |
| Preparation and Storage                           | Maintain refrigerated at 2-8 degree C for up to 2 weeks. For long term storage store at -20 degree C in small aliquots to prevent freeze-thaw cycles. |

### IMAGES

**IHC (Immunohistochemistry)**

Dilution: Immunohistochemistry: 1/100 - 1/300. ELISA: 1/10000. Not yet tested in other applications.

**IHC (Immunohistochemistry)**

Dilution: Immunohistochemistry: 1/100 - 1/300. ELISA: 1/10000. Not yet tested in other applications.

| Molecular Weight                 | 5,965 Da                                           |
| NCBI Official Full Name          | 39S ribosomal protein L33, mitochondrial isoform a |
| NCBI Official Synonym Full Names | mitochondrial ribosomal protein L33                |
| NCBI Official Symbol             | MRPL33                                             |
| NCBI Official Synonym Symbols    | L33mt; C2orf1; RPL33L; MRP-L33                     |

|                                   |                                          |
|-----------------------------------|------------------------------------------|
| <b>NCBI Protein Information</b>   | 39S ribosomal protein L33, mitochondrial |
| <b>UniProt Protein Name</b>       | 39S ribosomal protein L33, mitochondrial |
| <b>UniProt Gene Name</b>          | <b>MRPL33</b>                            |
| <b>UniProt Synonym Gene Names</b> | C2orf1; L33mt; MRP-L33                   |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
