### PRODUCT SYNONYMS

p115; Polyclonal Antibody; p115 Polyclonal Antibody; USO1; VDP; General vesicular transport factor p115; Protein USO1 homolog; Transcytosis-associated protein; TAP; Vesicle-docking protein; anti-p115 antibody

### PRODUCT SPECIFICATIONS

|                                                |                                                                                                                       |
|------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Host                                           | Rabbit                                                                                                                |
| Reactivity                                     | Human                                                                                                                 |
| Clonality                                      | Polyclonal                                                                                                            |
| Specificity                                    | p115 Polyclonal Antibody detects endogenous levels of p115 protein.                                                   |
| Purity/Purification                            | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen. |
| Form/Format                                    | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide.                                               |
| Concentration                                  | 1 mg/ml (varies by lot)                                                                                               |
| Sequence Length                                | 973                                                                                                                   |
| Applicable Applications for anti-p115 antibody | ELISA, WB (Western Blot)                                                                                              |
| Immunogen Type                                 | peptide                                                                                                               |
| Immunogen Description                          | Synthesized peptide derived from the C-terminal region of human p115.                                                 |
| Target Name                                    | p115                                                                                                                  |
| Preparation and Storage                        | Store at -20 degree C/1 year                                                                                          |
