

## Rabbit LRCH2 Polyclonal Antibody | anti-LRCH2 antibody

LRCH2 Antibody

| CATALOG # | HOST   | REACTIVITY        | APPLICATIONS                              |
|-----------|--------|-------------------|-------------------------------------------|
| AAA303469 | Rabbit | Human, Mouse, Rat | Immunohistochemistry, Western Blot, ELISA |

### PRODUCT SYNONYMS

LRCH2; Polyclonal Antibody; LRCH2 Antibody; anti-LRCH2 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                                                                                                                                                                                                                            |

| Clonality                                       | Polyclonal                                                                                                                                                                                                                                                                                 |
| Purity/Purification                             | Affinity purified                                                                                                                                                                                                                                                                          |
| Form/Format                                     | PBS, pH 7.4 with 0.02% Sodium Azide                                                                                                                                                                                                                                                        |
| Concentration                                   | 1.0 mg/ml (varies by lot)                                                                                                                                                                                                                                                                  |
| Sequence Length                                 | 244                                                                                                                                                                                                                                                                                        |
| Applicable Applications for anti-LRCH2 antibody | IHC (Immunohistochemistry), WB (Western Blot), ELISA                                                                                                                                                                                                                                       |
| Immunogen Type                                  | Recombinant Protein                                                                                                                                                                                                                                                                        |
| Immunogen Description                           | Rabbit polyclonal LRCH2 (1) antibody was raised against a recombinated human LRCH2 protein 554-742aa (BC125224).                                                                                                                                                                           |
| Target Name                                     | LRCH2                                                                                                                                                                                                                                                                                      |
| Preparation and Storage                         | This product is stable for several weeks at 4 degree C as an undiluted liquid. Dilute only prior to immediate use. For extended storage, aliquot contents and freeze at -20 degree C or below. Avoid cycles of freezing and thawing. Expiration date is one (1) year from date of receipt. |

### IMAGES

Application Data

Immunohistochemical staining of formalin-fixed paraffin-embedded fetal colon staining with anti-LRCH2 antibody at a dilution of 1/100
