

## Rabbit anti-Human, Mouse ECSIT Polyclonal Antibody | anti-ECSIT antibody

ECSIT Polyclonal Antibody

| CATALOG # | HOST   | REACTIVITY   | APPLICATIONS                       |
|-----------|--------|--------------|------------------------------------|
| AAA311569 | Rabbit | Human, Mouse | Immunohistochemistry, Western Blot |

### PRODUCT SYNONYMS

ECSIT; Polyclonal Antibody; ECSIT Polyclonal Antibody; SITPEC; ECSIT signalling integrator; anti-ECSIT antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                             |
|-------------------------------------------------|-------------------------------------------------------------|
| Host                                            | Rabbit                                                      |
| Reactivity                                      | Human, Mouse                                                |
| Clonality                                       | Polyclonal                                                  |
| Isotype                                         | IgG                                                         |
| Purity/Purification                             | Affinity purification                                       |
| Form/Format                                     | PBS with 50% glycerol, pH7.4                                |
| Applicable Applications for anti-ECSIT antibody | IHC (Immunohistochemistry), WB (Western Blot)               |
| Immunogen                                       | Recombinant fusion protein of human ECSIT (NP_001135936.1). |
| Conjugation                                     | Unconjugated                                                |
| Preparation and Storage                         | Store at -20 degree C. Avoid freeze/thaw cycles.            |

### IMAGES

**IHC (Immunohistochemistry)**

Immunohistochemistry of paraffin-embedded human gastric cancer using ECSIT antibody.

**WB (Western Blot)**

Western blot analysis of extracts of various cell lines, using ECSIT antibody.

### ADDITIONAL INFORMATION

|                                                   |                  |
