

## Rabbit ADAP1 Polyclonal Antibody | anti-ADAP1 antibody

ADAP1 Rabbit Polyclonal Antibody

|                               |                       |                                        |                                                         |
|-------------------------------|-----------------------|----------------------------------------|---------------------------------------------------------|
| CATALOG #<br><b>AAA313872</b> | HOST<br><b>Rabbit</b> | REACTIVITY<br><b>Human, Mouse, Rat</b> | APPLICATIONS<br><b>Immunofluorescence, Western Blot</b> |
|-------------------------------|-----------------------|----------------------------------------|---------------------------------------------------------|

### PRODUCT SYNONYMS

ADAP1; Polyclonal Antibody; ADAP1 Rabbit Polyclonal Antibody; CENTA1; GCS1L; p42IP4; anti-ADAP1 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                           |
|-------------------------------------------------|-----------------------------------------------------------|
| Host                                            | Rabbit                                                    |
| Reactivity                                      | Human, Mouse, Rat                                         |
| Clonality                                       | Polyclonal                                                |
| Isotype                                         | IgG                                                       |
| Purity/Purification                             | Affinity purification                                     |
| Form/Format                                     | Buffer: PBS with 0.02% sodium azide, 50% glycerol, pH7.3. |
| Applicable Applications for anti-ADAP1 antibody | IF (Immunofluorescence), WB (Western Blot)                |
| Immunogen                                       | Recombinant fusion protein of human ADAP1 (NP_006860.1).  |
| Preparation and Storage                         | Store at -20 degree C. Avoid freeze/thaw cycles.          |

### IMAGES

**WB (Western Blot)**

Western blot analysis of extracts of various cell lines, using ADAP1 at 1:1000 dilution.

**IF (Immunofluorescence)**

Immunofluorescence analysis of U2OS cells using ADAP1 at dilution of 1:100. Blue: DAPI for nuclear staining.

### ADDITIONAL INFORMATION
