

Mouse anti-Human Hemoglobin Monoclonal Antibody | anti-RB1909 antibody

Hemoglobin antibody

CATALOG # AAA74397	HOST Mouse	REACTIVITY Human
------------------------------	----------------------	----------------------------

PRODUCT SYNONYMS

Hemoglobin; Monoclonal Antibody; Hemoglobin antibody; Monoclonal Hemoglobin; Anti-Hemoglobin; Hemoglobin (Whole); anti-RB1909 antibody

PRODUCT SPECIFICATIONS

Host	Mouse
Reactivity	Human
Clonality	Monoclonal
Isotype	IgG1
Clone Number	M4020514
Specificity	Human
Form/Format	Purified from murine ascites and supplied in PBS, pH 7.0, with 0.02% NaN ₃ .
Concentration	Typically 2-5 mg/ml (varies by lot)
Sequence Length	166
Biological Significance	Hemoglobin (also spelled haemoglobin and abbreviated Hb or Hgb) is the iron-containing oxygen-transport metalloprotein in the red blood cells of all vertebrates (except the fish family Channichthyidae) and the tissues of some invertebrates. Hemoglobin in the blood is what transports oxygen from the lungs or gills to the rest of the body where it releases the oxygen for cell use, and collects carbon dioxide to bring it back to the lungs.
Biohazard Information	This product contains sodium azide as preservative. Although the amount of sodium azide is very small appropriate care must be taken when handling.
Immunogen	Hemoglobin antibody was raised in mouse using human hemoglobin as the immunogen.
Preparation and Storage	Store at 4 degree C for short term storage. Aliquot and store at -20 degree C for long term storage. Avoid repeated freeze/thaw cycles.

NCBI AND UNIPROT INFORMATION

NCBI GI #	32471656
NCBI GeneID	1795374
NCBI Accession #	NP_864649.1
NCBI GenBank Nucleotide #	NC_005027.1

NCBI Official Full Name	hemoglobin
NCBI Official Symbol	RB1909
NCBI Protein Information	hemoglobin

For Research Use Only. Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
