

## Rabbit FFAR3 Polyclonal Antibody | anti-FFAR3 antibody

FFAR3 Antibody FITC-Conjugated

| CATALOG # | HOST   | REACTIVITY        | APPLICATIONS                             |
|-----------|--------|-------------------|------------------------------------------|
| AAA75874  | Rabbit | Human, Mouse, Rat | Western Blot, Immunoprecipitation, ELISA |

### PRODUCT SYNONYMS

FFAR3; Polyclonal Antibody; FFAR3 Antibody FITC-Conjugated; FFA3R; Free fatty acid receptor 3; G protein coupled receptor 41; GPCR41; GPR41; gpr42 antibody; anti-FFAR3 antibody

### PRODUCT SPECIFICATIONS

|                                                 |                                                                                  |
|-------------------------------------------------|----------------------------------------------------------------------------------|
| Host                                            | Rabbit                                                                           |
| Reactivity                                      | Human, Mouse, Rat                                                                |
| Clonality                                       | Polyclonal                                                                       |
| Form/Format                                     | FITC-Conjugated                                                                  |
| Concentration                                   | 0.78% mg/ml IgG in antibody stabilization buffer (varies by lot)                 |
| Sequence Length                                 | 346                                                                              |
| Applicable Applications for anti-FFAR3 antibody | WB (Western Blot), IP (Immunoprecipitation), ELISA                               |
| Immunogen                                       | Synthetic peptide taken within amino acid region 270-320 on human FFAR3 protein. |
| Preparation and Storage                         | Store at -20°C for long term storage                                             |
