

Rabbit Syndecan-1/CD138 Polyclonal Antibody

Rabbit anti-human Syndecan-1/CD138(SDC1) polyclonal Antibody

CATALOG # AAA81569	HOST Rabbit	REACTIVITY Human, Mouse, Rat	APPLICATIONS Western Blot, ELISA
------------------------------	-----------------------	--	--

PRODUCT SYNONYMS

Syndecan-1/CD138; Polyclonal Antibody; Rabbit anti-human Syndecan-1/CD138(SDC1) polyclonal Antibody; syndecan 1; SDC1; CD138; SDC;SYND1; syndecan ;; anti-Syndecan-1/CD138 antibody

PRODUCT SPECIFICATIONS

Host	Rabbit
Reactivity	Human, Mouse, Rat
Clonality	Polyclonal
Isotype	IgG
Purity/Purification	Antigen Affinity Purified
Form/Format	PBS with 0.1% Sodium Azide, 50% Glycerol, pH 7.3
Applicable Applications for anti-Syndecan-1/CD138 antibody	WB (Western Blot), ELISA
Immunogen Human	SDC1,CD138
Immunogen Species	Homo sapiens (Human)
Research Area	Cancer
Target Names	SDC1
Preparation and Storage	Upon receipt, store at -20°C or -80°C. Avoid repeated freeze.

ADDITIONAL INFORMATION

Related Product Information for anti-Syndecan-1/CD138 antibody	This protein is a transmembrane (type I) heparan sulfate proteoglycan and is a member of the syndecan proteoglycan family. The syndecans mediate cell binding, cell signaling, and cytoskeletal organization and syndecan receptors are required for internalization of the HIV-1 tat protein. The syndecan-1 protein functions as an integral membrane protein and participates in cell proliferation, cell migration and cell-matrix interactions via its receptor for extracellular matrix proteins. Altered syndecan-1 expression has been detected in several different tumor types. While several transcript variants may exist for this gene, the full length nature of only two have been described to date. These two represent the major variants of this gene and encode the same protein.
--	--

For Research Use Only. Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
