

## Human Interleukin 3 ELISA Kit | IL 3 elisa kit

Human Interleukin 3 ELISA Kit

CATALOG #  
**AAA86363**

REACTIVITY  
**Human**

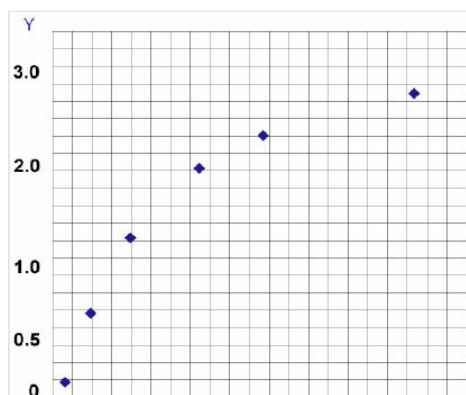

### PRODUCT SYNONYMS

Interleukin 3; Human Interleukin 3 ELISA Kit; IL 3 elisa kit

### PRODUCT SPECIFICATIONS

|                            |                                                                            |
|----------------------------|----------------------------------------------------------------------------|
| Reactivity                 | Human                                                                      |
| Samples                    | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type                 | Competitive or Sandwich                                                    |
| Detection Range            | 50-1000pg/mL                                                               |
| Sensitivity                | 1.0pg/mL                                                                   |
| Highest Standards          | 1000pg/mL                                                                  |
| Concentration of Standards | Concentration of Standards                                                 |
| Preparation and Storage    | Store all reagents at 2-8 degree C.                                        |
