

## Monkey Vascular Endothelial Growth Factor C ELISA Kit | VEGF.C elisa kit

Monkey Vascular Endothelial Growth Factor C ELISA Kit

CATALOG #  
**AAA91079**

REACTIVITY  
**Monkey**

### PRODUCT SYNONYMS

Vascular Endothelial Growth Factor C; Monkey Vascular Endothelial Growth Factor C ELISA Kit; VEGF.C elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                            |
|-------------------------|----------------------------------------------------------------------------|
| Reactivity              | Monkey                                                                     |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate |
| Assay Type              | Competitive                                                                |
| Detection Range         | 0.5-10ng/mL                                                                |
| Sensitivity             | 0.1ng/mL                                                                   |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                        |

### ADDITIONAL INFORMATION

|                                                |        |
|------------------------------------------------|--------|
| Product Categories/Family for VEGF.C elisa kit | Cancer |
|------------------------------------------------|--------|

### NCBI AND UNIPROT INFORMATION

|                                  |                                                                                                           |
|----------------------------------|-----------------------------------------------------------------------------------------------------------|
| NCBI GI #                        | 4885653                                                                                                   |
| NCBI GeneID                      | 7424                                                                                                      |
| NCBI Accession #                 | NP_005420.1                                                                                               |
| NCBI GenBank Nucleotide #        | NM_005429.4                                                                                               |
| Molecular Weight                 | 46,883 Da                                                                                                 |
| NCBI Official Full Name          | vascular endothelial growth factor C preproprotein                                                        |
| NCBI Official Synonym Full Names | vascular endothelial growth factor C                                                                      |
| NCBI Official Symbol             | VEGFC                                                                                                     |
| NCBI Official Synonym Symbols    | VRP; Flt4-L; LMPH1D                                                                                       |
| NCBI Protein Information         | vascular endothelial growth factor C; FLT4 ligand DHM; vascular endothelial growth factor-related protein |
| UniProt Protein Name             | Vascular endothelial growth factor C                                                                      |
| UniProt Gene Name                | <b>VEGFC</b>                                                                                              |
| UniProt Synonym Gene Names       | VEGF-C; Flt4-L; VRP                                                                                       |
| UniProt Entry Name               | VEGFC_HUMAN                                                                                               |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
