

## Chicken Activating Transcription Factor 7 ELISA Kit | ATF7 elisa kit

Chicken Activating Transcription Factor 7 ELISA Kit

CATALOG #  
**AAA96681**

REACTIVITY  
**Chicken**

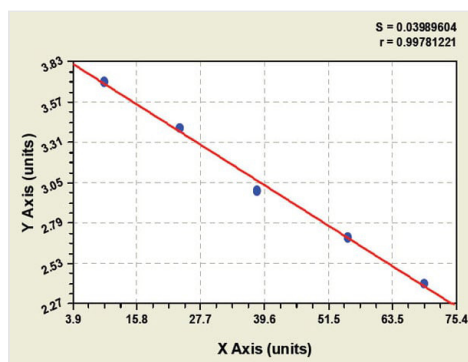

### PRODUCT SYNONYMS

Activating Transcription Factor 7; Chicken Activating Transcription Factor 7 ELISA Kit; ATF7 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                    |
|-------------------------|------------------------------------|
| Reactivity              | Chicken                            |
| Preparation and Storage | Store all reagents at 2-8 degree C |

### NCBI AND UNIPROT INFORMATION

|                                  |                                                                             |
|----------------------------------|-----------------------------------------------------------------------------|
| NCBI GI #                        | 187953215                                                                   |
| NCBI GeneID                      | 11016                                                                       |
| UniProt Accession #              | P17544; Q13814; Q8IVR8; Q9UD83; A5D6Y4; B2RMP1; B4DQL4                      |
| Molecular Weight                 | 52,967 Da                                                                   |
| NCBI Official Full Name          | Activating transcription factor 7                                           |
| NCBI Official Synonym Full Names | activating transcription factor 7                                           |
| NCBI Official Symbol             | ATF7                                                                        |
| NCBI Official Synonym Symbols    | ATFA                                                                        |
| NCBI Protein Information         | cyclic AMP-dependent transcription factor ATF-7; transcription factor ATF-A |
| UniProt Protein Name             | Cyclic AMP-dependent transcription factor ATF-7                             |
| UniProt Gene Name                | <b>ATF7</b>                                                                 |
| UniProt Synonym Gene Names       | ATFA; cAMP-dependent transcription factor ATF-7                             |
| UniProt Entry Name               | ATF7_HUMAN                                                                  |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
