

## Sheep Caudal Type Homeobox Transcription Factor 2 ELISA Kit | CDX2 elisa kit

Sheep Caudal Type Homeobox Transcription Factor 2 ELISA Kit

|                              |                            |
|------------------------------|----------------------------|
| CATALOG #<br><b>AAA97237</b> | REACTIVITY<br><b>Sheep</b> |
|------------------------------|----------------------------|

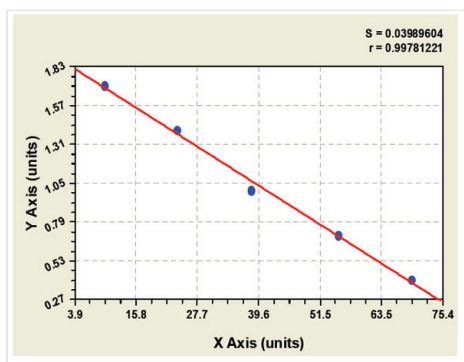

### PRODUCT SYNONYMS

Caudal Type Homeobox Transcription Factor 2; Sheep Caudal Type Homeobox Transcription Factor 2 ELISA Kit; CDX2 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                                                        |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Sheep                                                                                                                                                                                  |
| Samples                 | Serum, plasma, Cell Culture Supernatants, body fluid and tissue homogenate                                                                                                             |
| Assay Type              | Competitive                                                                                                                                                                            |
| Detection Range         | 0.5-10ng/mL                                                                                                                                                                            |
| Sensitivity             | 0.1ng/mL                                                                                                                                                                               |
| Intended Uses           | This CDX2 ELISA kit is a 1.5 hour solid-phase ELISA designed for the quantitative determination of Sheep CDX2. This ELISA kit for research use only, not for therapeutic applications! |
| Preparation and Storage | Store all reagents at 2-8 degree C.                                                                                                                                                    |
