

## Rabbit Interleukin 12 ELISA Kit | IL-12 elisa kit

Rabbit Interleukin 12 ELISA Kit

CATALOG #  
**AAA98758**

REACTIVITY  
**Rabbit**

### PRODUCT SYNONYMS

Interleukin 12; Rabbit Interleukin 12 ELISA Kit; IL-12 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Rabbit                                                                                                                                                       |
| Sequence Length         | 253                                                                                                                                                          |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                                                                              |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples                                                                         |
| Detection Range         | 31.25-2000pg/ml                                                                                                                                              |
| Sensitivity             | 18.75pg/ml                                                                                                                                                   |
| Preparation and Storage | Store entire kit at 2-8C for short-term. For longer-term, please store the microplate & standard at -20C, while the remaining reagents can be stored at 2-8C |

### NCBI AND UNIPROT INFORMATION

|                                  |                                |
|----------------------------------|--------------------------------|
| NCBI GI #                        | <a href="#">4323579</a>        |
| NCBI GeneID                      | <a href="#">3592</a>           |
| Molecular Weight                 | 24,874 Da                      |
| NCBI Official Full Name          | interleukin 12                 |
| NCBI Official Synonym Full Names | interleukin 12A                |
| NCBI Official Symbol             | IL12A                          |
| NCBI Official Synonym Symbols    | P35; CLMF; NFSK; NKSF1; IL-12A |

|                            |                                |
|----------------------------|--------------------------------|
| NCBI Protein Information   | interleukin-12 subunit alpha   |
| UniProt Protein Name       | Interleukin-12 subunit alpha   |
| UniProt Gene Name          | <b>IL12A</b>                   |
| UniProt Synonym Gene Names | NKSF1; IL-12A; CLMF p35; NKSF1 |
| UniProt Entry Name         | IL12A_HUMAN                    |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
