

## Porcine Insulin Like Growth Factor Binding Protein 7 ELISA Kit | IGFBP-7 elisa kit

Porcine Insulin Like Growth Factor Binding Protein 7 ELISA Kit

CATALOG #  
**AAA99200**

REACTIVITY  
**Porcine**

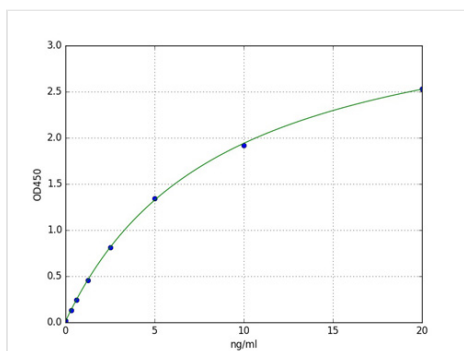

### PRODUCT SYNONYMS

Insulin Like Growth Factor Binding Protein 7; Porcine Insulin Like Growth Factor Binding Protein 7 ELISA Kit; IGFBP-7 elisa kit

### PRODUCT SPECIFICATIONS

|                         |                                                                                                                                                              |
|-------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Reactivity              | Porcine                                                                                                                                                      |
| Sequence Length         | 282                                                                                                                                                          |
| Assay Type              | Sandwich ELISA, Double Antibody                                                                                                                              |
| Samples                 | Serum, Plasma, Cell Culture Supernatant, cell or tissue lysate, Other liquid samples                                                                         |
| Detection Range         | 0.313-20ng/ml                                                                                                                                                |
| Sensitivity             | 0.188ng/ml                                                                                                                                                   |
| Preparation and Storage | Store entire kit at 2-8C for short-term. For longer-term, please store the microplate & standard at -20C, while the remaining reagents can be stored at 2-8C |

### NCBI AND UNIPROT INFORMATION

|                                  |                                                                          |
|----------------------------------|--------------------------------------------------------------------------|
| NCBI GI #                        | <a href="#">42542649</a>                                                 |
| NCBI GeneID                      | <a href="#">3490</a>                                                     |
| Molecular Weight                 | 28,860 Da                                                                |
| NCBI Official Full Name          | Insulin-like growth factor binding protein 7                             |
| NCBI Official Synonym Full Names | insulin like growth factor binding protein 7                             |
| NCBI Official Symbol             | IGFBP7                                                                   |
| NCBI Official Synonym Symbols    | AGM; PSF; TAF; FSTL2; IBP-7; MAC25; IGFBP-7; RAMSVPS; IGFBP-7v; IGFBPRP1 |

|                            |                                                        |
|----------------------------|--------------------------------------------------------|
| NCBI Protein Information   | insulin-like growth factor-binding protein 7           |
| UniProt Protein Name       | Insulin-like growth factor-binding protein 7           |
| UniProt Gene Name          | <b>IGFBP7</b>                                          |
| UniProt Synonym Gene Names | MAC25; PSF; IBP-7; IGF-binding protein 7; IGFBP-7; TAF |
| UniProt Entry Name         | IBP7_HUMAN                                             |

**For Research Use Only.** Not for use in diagnostic or therapeutic procedures. Small volumes of product may become entrapped in the seal of the vial during shipment and storage; if necessary, briefly centrifuge the vial on a tabletop centrifuge to dislodge any liquid in the cap.
